## **"BIG CATTLE" Are Old Stuff At MIL-NITA**

We have used ton bulls for 30 years. We were criticized for having the old type Shorthorn cattle and our bulls were always too long and stretchy. We knew that beef was sold by the pound—so we kept cattle with size, always using ton bulls. Now our "old fashioned" Shorthorns are MODERN with the "New Look." Our cattle have done well for us. I am sure they could prove out satisfactorily for you. Why not take a look at our cow herd—see our young bulls and females. You might find just that herd bull you are looking for in our bull pens. Our cattle are not pampered and we do not have the time to fit cattle for the show circuit. Our prices are reasonable. Contact our customers who have purchased three or more bulls from Mil-Nita.

ALL THE NATURAL ADVANTAGES OF SHORTHORNS  
WITHOUT THE DISADVANTAGES OF HORNS

W. A. LOVE  
L. R. LOVE

PARTRIDGE, KANSAS

Dear Friends,  
Our past can play a part in your future.

Polled Shorthorns have been profitable for us for more than 50 years.  
We have fared well in local, state, and national competition. Our cattle  
have sold in 11 states and Canada.

The latest addition to our herd bull battery is RB Achilles 55th x,  
by RB Achilles 13th x, dam by Four Dees Ambassador. He was a Polled  
Congress class winner in 1968—his full brother won his class in 1967.  
We think consistency is a virtue in cattle breeding.

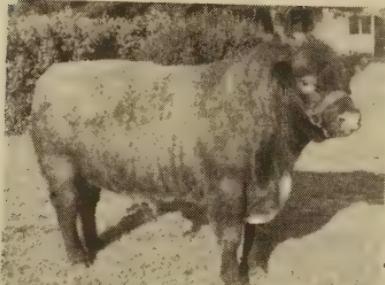

Our herd features daughters of Marilo Max x, Challenger's Model x,  
VV Royal Leader 86th x, and Alpine Juggler 25th x.

We can offer breeding stock of any class for sale at all times. We always  
have a few outstanding 4-H steers to offer each fall.

We are always glad to show our herd. Polled Shorthorns have been a  
part of our life—make them a part of yours.

Sincerely,

*Lester Love*

# TOMSON BROS. PROGRAM

Our goal of producing superior bulls that are and will sire cattle most efficient and economical in producing beef from grass and roughage. With the ability to convert grain to a carcass in tune with present and future market demands. These are the sires that are accomplishing our goal.

**SUTHERLAND PROSPECTOR** our first polled bull a consistent winner. Large number of calves in 1970 WSU CORNERSTONE 704. Just purchased from Jim Aegeuter. An outstanding polled bull combining the best in bloodlines from the Northwest. Great size plus balance and hind quarter.

**SCOTSDALE BEACONSFIELD** — son Scotsdale Tehran 2300 pound bull. Calves in 1970.

**KC GREAT DUKE** — Son of Great Event, Dam is from Duchess family that produced KC Clipper Duke \$30,000.00. His calves in 1970.

**KEYNOTE'S CLIPPER MAX** — Top selling bull in Shattuck, Nebraska in our 1969 sale. 1100 pounds at 1 year old. Many of his calves are here now.

**KELBURN GREAT EVENT** —

Large number of good bull calves early in 1969 from some of our best cows. Breeding stock on offer at all times, club calves in fall. Commercial females always available.

Farm 4 miles Southwest of Wakarusa, Kansas. Wakarusa is on a paved spur West of US 75, 12 miles South of Topeka.

## From Your Fieldman's Viewpoint:

**KENNETH HOLLOWAY**

Field Representative

American Shorthorn Association

122 N. Lafayette

Frederick, Oklahoma 73542

405-335-3006

Dear Cattlemen:

Our beloved Shorthorn and Polled Shorthorn cattle have contributed a great deal to the over all improvement of beef cattle throughout the world. They have added size, milking ability, feeding efficiency, growth rate, and freedom from dwarfism and cancer eye to beef cattle from coast to coast. However we are now on the threshold of an even greater era. Crossbreeding is here and Shorthorns are destined to play a large role in the breeding programs of the profit-minded, progressive beef producers.

Rotational crossing is taking hold in the cow country just as it has in the swine industry. It brings with it the increased demand for purebred sires of a breed other than the majority of the cow herds. Thus Shorthorns and Polled Shorthorns are in the picture.

Certainly Shorthorn and Polled Shorthorn breeders must face the challenge for it is one that can not be ignored. We must use every breed improvement tool available to insure the production of big, sound, meaty, high quality bulls that will please the most critical cowman. Won't you do your part?

Yours for better Shorthorns,  
Kenneth Holloway

*Kenneth Holloway*

be sent to Dianne Johnson, Windom, Kansas 67491.

SHORTHORNS

# KANSAS SHORTHORN "LASSIES"

*Our major function is to promote the "Red, White, and Roan" breed.*

*Any wife, mother, sister, or daughter of a Shorthorn or Polled Shorthorn Breeder may join us. Dues are only \$3 per year.*

## LEFT to RIGHT

**Mrs. F. L. Lawson**, Penalosa, director; **Mrs. Wallace Lindberg**, Gaiva, President; **Mrs. Allen Eller**, Greensburg, director; **Mrs. Wm. Sluss**, El Dorado, Secretary-Treasurer; **Mrs. Gary Cummings**, Kingsdown, director; **Mrs. Norman Roux**, Moundridge, publicity secretary; **Mrs. Pryce Hurley**, Newton, director.

Others not pictured are: **Mrs. Wm. Roohms**, St. John; **Mrs. Waldo Poovey**, Westphalia, directors; and **Mrs. Carol Reynolds**, Cuba, vice-president.

## LASSIE QUEEN

Our Lassie Queen for this past year (1968-69) was Miss Dianne Johnson, Windom, Kansas. The new Queen for 1969-70 is Miss Barbara Popp, Utica, Kansas. Alternate Queen is Miss Kathy Schroeder, Timken, Kansas.

Qualifications for becoming a Lassie Princess to run for Lassie Queen next year are: a member of the Shorthorn Lassies, age 16 to 22, must be single, must come from a Shorthorn family or have shown Shorthorn cattle, willing to appear at local Shorthorn activities, and if chosen Queen—must attend International Livestock Exposition in Chicago in November.

MORE  
TOP  
CALVES

A few of our good cows in natural form. Note their size and length.

**STOCK BULLS IN SERVICE**

Leveldale Nestor by Inter'l reserve champion Leveldale Richard. Also using I H Stake Out and I H Orangeman, both sons of our Glassel Lochnagar by Uppermill Vanguard.

Indian Hill paid the top price in the Blasingame dispersion for Brawith Bud R and her heifer calf by Prince Rothes. The cow was rebred to KC Rothes Regal. We have some other great Brawith Buds in our herd

Middle-of-the-road Shorthorns are emphasized here . . . the kind that bring a premium on the fat cattle market, with thickness, depth, soundness, and great rear-quarters. A top selection of bulls with these characteristics on offer.
